Register as user :

A screenshot of a 'Register Form' window. It has a dark blue background. The form contains three text input fields: 'First Name:' with the value 'priya', 'Last Name:' with the value 'nagpal', and 'Password:' with the value 'priya2123'. Below these fields is a blue button labeled 'Register'.

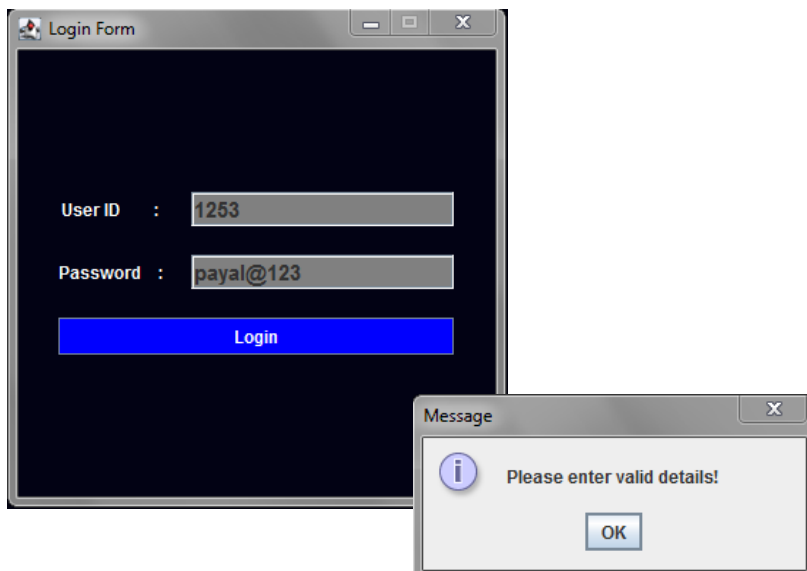

```
mysql> select * from user;
```

id	fname	lname	pwd
12345	payal	rathee	payal@123
12347	kumar	naman	naman@123
12348	ahlawat	priya	priya@123
12349	dahiya	seema	seema@123
12350	kumar	manish	manish@123
12351	rathee	bhawna	bhanu@123
12352	ahlawat	diksha	diksha@123

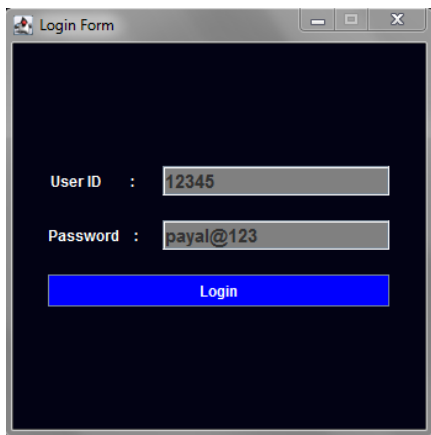

```
mysql> select * from user;
```

id	fname	lname	pwd
12345	payal	rathee	payal@123
12347	kumar	naman	naman@123
12348	ahlawat	priya	priya@123
12349	dahiya	seema	seema@123
12350	kumar	manish	manish@123
12351	rathee	bhawna	bhanu@123
12352	ahlawat	diksha	diksha@123
12353	nagpal	priya	priya2123

Login :

A screenshot showing a 'Login Form' window and a 'Message' dialog box. The 'Login Form' has a dark blue background and contains two text input fields: 'User ID : 1253' and 'Password : payal@123'. Below these fields is a blue button labeled 'Login'. The 'Message' dialog box is a small window with a light gray background, containing an information icon and the text 'Please enter valid details!' with an 'OK' button.
